WEDNESDAY, FEBRUARY 11, 1959

Today's quotation: "He that swells in prosperity will be sure to shrink in adversity."—Colton

Wednesday for everyone: Rely upon previous experience, and your own good judgment, instead of asking for advice or co-operation. Take time to think things through and arrive at a well-rounded view.

Look For Your Birthdate and Birtisign Below

March 21 to April 19 (Aries) — What you do or say is apt to attract more attention than normally. Be sure that you do not merit criticism.

April 20 to May 20 (Taurus)—Verify news before acting on it. Find answers to puzzlers; keep out of trouble.

May 21 to June 20 (Gemini)—Use diplomacy with associates; give precedence to duties or catch up on rest.

June 21 to July 22 (Cancer) — Build status by rendering aid to elders or parents. Avoid in harmony with highly-placed persons.

July 23 to Aug. 22 (Leo) — Devote the day to customary pursuits, scheduled activities. Watch out for misconceptions, false tidings, upsets.

Aug. 23 to Sept. 22 (Virgo) — Take time to verify reactions; hold off adjustments unless certain; go "Dutch treat"; save money, energy.

Sept. 23 to Oct. 22 (Libra)—Make a special effort to maintain harmony and to avoid creating enmity. Give the star part to another; be one of a team.

Oct. 23 to Nov. 21 (Scorpio) — Show willingness to be useful. Shun mental confusion, financial complications.

Nov. 22 to Dec. 21 (Sagittarius) — Don't chafe if a cherished goal goes haywire. Complete liberty may be slow to mature. Take no chances.

Dec. 22 to Jan. 19 (Capricorn) — Apply yourself to tasks in your vicinity. Take things in stride concerning home, family, base.

Jan. 20 to Feb. 18 (Aquarius)—Adjust opinions; use care en route; re-check news, information, directions.

Feb. 19 to March 20 (Pisces) — Turn your mind to material considerations; protect financial standing, property interests. Be thrifty.
